The City of Port Huron's yard waste collection program will begin on Monday, April 4 and continue through the end of November.

Residents are asked to put their yard waste by the curb on their garbage collection day. The yard waste must be put in acceptable brown yard wastes bags or 35 gallon containers marked with an X. Schedules and program guidelines are available on the City's web site at www.porthuron.org or by contacting the Department of Public Works at 984-9730.
