Lennie M. Naeyaert, City Engineer  
(810) 984-9730

Beginning Monday, May 15, 2017, the City of Port Huron will begin making improvements on River Street east and west of Stone Street and on Stone Street just north of River Street. These improvements will include new storm and sanitary sewer, water main and asphalt paving, along with new concrete curb and gutter. These streets should be opened to traffic by the end of June.

Due to construction, this section of River Street and Stone Street from Glenwood to River Street will be closed. Please use Glenwood to access St. Clair County Community College. Please use River Street to access the Marina.

We apologize for any inconvenience this may cause. If there are any further questions regarding this matter, please contact the Department of Public Works.
