

2001 INSTRUCTIONS FOR FORM PH-1120 CITY OF PORT HURON CORPORATION RETURN

Who Must File a Return

Every corporation that is doing business in the City of Port Huron must file a return. You must file a return even if the corporation did not maintain an office or place of business in the City. You must file a return whether or not the business has a net profit.

Under the Uniform City Income Tax Act all corporations are taxed as corporations. A Sub-chapter S corporation must file as a corporation for Port Huron income tax purposes. A corporation cannot elect to be taxed as a partnership.

Nonprofit entities that are exempt from Federal income tax do not have to file a Port Huron return. Nonprofit entities must submit a copy of their IRS determination letter to our office. The ordinance also exempts banks, trust companies, insurance companies, building and loan and saving and loan associations, and credit unions.

Date Due and Payments

The return is due by the last day of the fourth month, following the end of your corporation's taxable year. Calendar year 2001 returns are due by April 30, 2002. The return must be for the same taxable period as your federal return.

Mail your return and payment to:

Income Tax Division
100 McMorran Boulevard
Port Huron, MI 48060

Make all checks payable to:

Treasurer, City of Port Huron

Extensions

To get an extension, use form PH-4868, Application for Automatic Extension of Time to File a City Income Tax Return. File the form on or before the due date of your return. **An extension does not extend the time for paying the tax due.** You must pay the total estimated tax due with the form. We will charge you penalty and interest if you underestimate or fail to pay the estimated tax due. You do not need to file an extension if you will be claiming a refund.

Declaration and Payment of Estimated Tax

Corporations must make estimated tax payments every year that their total City tax will exceed \$250.00. To make estimated payments, file Form PH-1040ES, Declaration of Estimated Tax.

Estimated taxes are payable in four equal installments. The payments are due on the last day of the 4th, 6th, 9th and 13th month after the start of your fiscal year. For calendar year taxpayers, the payments are due on April 30, June 30, September 30, and January 31. You may also pay in full with the first voucher. If you need estimated tax forms, please call (810) 984-9741.

Instructions for Schedule C

The corporation may petition for or we may require that you use the separate accounting method. You must request approval to use the separate accounting in writing. You must request approval within the first ninety days of your taxable year or other taxable period. Once we have granted approval to use the method, it will remain in effect if you continually use the method. To report using the separate accounting method, you must regularly keep your books and records by such a method.

Lines 12 & 13. Taxpayers using the separate accounting method must include in taxable income a proportionate share of dividends, interest, and other non-operating income. Apportion the income on the same basis as general administrative and overhead costs. If the division subject to Port Huron tax receives the income directly, use direct allocation.

Line 14. Follow the same rules for rent and royalty income as you did for dividends and interest income (lines 12 and 13).

Line 15. Enter the full amount of any net capital gain for the period on this line. Adjust the amount for any portion of capital gains or losses occurring before January 1, 1969 on page 1, line 2.

Line 27. Use the same basis and method to calculate depreciation that you used on your Federal return.
