INSTRUCTIONS FOR FILING AN APPLICATION FOR EXTENSION OF TIME TO FILE A CITY OF PORT HURON INCOME TAX RETURN

The City of Port requires all taxpayers to pay the full amount of tax owed on or before the due date of their return. **An extension of time to file is NOT an extension of time to pay the tax.** If you cannot pay the balance due by the due date of your return, you must sign a payment schedule. We will assess penalty and interest charges on all amounts remaining unpaid after the due date of the return.

When you file an extension request, if you find that more income tax will be due to the City, you must pay that amount with this form. We will not consider your application a valid extension unless you pay the total balance due.

If you find that no additional tax will be due to the city, you do not need to file this form. A copy of your federal extension attached to your return will be sufficient. Attach a copy of all federal and City of Port Huron extensions to your city return when you file it.

Your application for extension must be postmarked on or before the original due date of your return.

If you do not pay the full amount of tax due with your application for extension, we will assess you interest and penalty on the unpaid amount. File your return and pay the balance shown due with the return. Our office will bill any interest and penalty charges, based on the date you paid the balance.

We will assess you monthly interest charges on any unpaid balance. The monthly interest rate is 1/12 of the legally prescribed rate (1% above the prime rate, as determined by the Michigan Department of Treasury).

We will also assess a penalty of 1% of the balance due per month, for each month the payment is late. The total penalty will not exceed 25% of the balance due. The minimum combined charge for penalty and

interest is \$2.00. We will waive the penalty charges if you can show that the reason you did not pay the full amount by the due date was due to reasonable cause.

Make all checks payable to: Treasurer, City of Port Huron. Write your Social Security number or FEIN on your payment and note what the payment is for. Mail your signed application for extension and remittance to:

The City of Port Huron's Income Tax Administrator requires payment of all amounts due before we will grant an extension under Sec. 64 of the Uniform City Income Tax Ordinance (Public Act 284 of 1964, State of Michigan, as amended). The Administrator deems this extension to meet the requirements for filing a tentative return under Sec. 64 of the Uniform City Income Tax Ordinance.
