Trees are one of nature's best gifts to humankind and the planting of trees has always symbolized peace, life, growth and hope for the future.

Through the Tree Celebration Program, citizens can have a tree planted on City property in memory of a loved one or dear friend or to honor or recognize an individual. Several varieties of trees are available and the cost per tree ranges from \$175.00-\$300.00.

Trees will be planted in May or October depending on when the tree is purchased.

Every October a gathering is held to present the contributor with a certificate to recognize the donation. A permanent plaque with the name of the individual being recognized will hang in the lobby of the Municipal Office Center for all to see.
