Description of work being completed

All additional inspections or re-inspections necessary must be included in Items 27 and/or 28. Items, quantities and inspections that are overlooked, unforeseen, or omitted from the original permit application will be billed to the permit holder. These additional fees must be paid prior to a final inspection being conducted. Electrical work shall not be started until the application for permit has been filed with the City of Port Huron Building Inspection Division. All installations shall be in conformance with the State Electrical Code. **No work shall be concealed until it has been**

inspected.
