June 2, 2020

FOR IMMEDIATE RELEASE

The Municipal Office Center (MOC) will reopen to the public on June 8, 2020. Residents are still encouraged to conduct business via mail, online and drive-thru services. Visitors of the MOC will be asked to wear masks and social distance while in the building. Please do not visit the MOC if you have had a fever or symptoms of COVID-19.

Over the next 14 days, Port Huron Parks and Recreation Department will begin opening Splashpads, playgrounds, basketball courts, restrooms and other recreational facilities. However, City pools will remain closed this summer, as our aquatics program requires over 100 seasonal workers that were not hired for the season. We are simply unable to open the pool in safe manner on such short notice. This is disappointing as we brought these operational pool concerns to state officials more than a month ago.

We ask residents to use common sense and follow CDC guidelines on social distancing and hand washing when using any City facilities or assets.
